# Ziqi Guo

Date of Birth: June 3, 2000
Place of Birth: Sichuan, China
Email: ziqiguo0603@pku.edu.cn
Homepage: `https://nevin0603.github.io/`
Last updated: October 22, 2026

## Research Interests

Number theory and arithmetic geometry, with a focus on:

- L-functions and Shimura varieties
- Arakelov geometry

## Education

**Visiting Student**, Massachusetts Institute of Technology (MIT) Aug 2026–Present
Host: Prof. Wei Zhang

**Ph.D. in Mathematics**, Peking University 2022–Present
Advisor: Prof. Xinyi Yuan

**B.Sc. in Mathematics**, Peking University 2018–2022

## Awards

- National Scholarship for Doctoral Students (China), 2024 and 2025
- President's Scholarship for Doctoral Students (Peking University), 2024, 2025 and 2026
- BICMR Mathematical Award for Graduate Students, 2026
- BYD Scholarship (School of Mathematical Sciences, Peking University), 2026

## Publications

- *Explicit Kodaira–Spencer Map over Hilbert Modular Varieties*
  Accepted by *Kyoto Journal of Mathematics*
  arXiv:2308.06682

## Preprints

- *Modular Heights of Unitary Shimura Varieties I: Derivatives of Eisenstein Series*
  arXiv:2509.24363
- *Modular Heights of Unitary Shimura Varieties II: Arithmetic Generating Series of Divisors*
  arXiv:2606.18579
- *Modular Heights of Unitary Shimura Varieties III: Proof of the Main Theorem*
  arXiv:2606.19158
- *Explicit Kodaira-Spencer Maps over PEL Shimura Varieties*
  arXiv:2604.17792
- *Heights of small CM cycles on Unitary Shimura Varieties*
  arXiv:2610.25538

## Invited Talks

- Algebra, Geometry & Number Theory Seminar, Caltech, October 15, 2026
  abstract
- Number Theory and Representation Theory Seminar, University of Wisconsin–Madison, October 1, 2026 (online)
  announcement
- Algebra and Number Theory Seminar, University of Arizona, September 22, 2026
  abstract
- Number Theory and Representation Theory Seminar, Sichuan University, July 2026
- The 2nd Workshop on the Theory of Modular Forms and Applications, April 2026
- Number Theory and Representation Theory Seminar, Zhejiang University, March 2026
  abstract
- Number Theory Seminar, East China Normal University, January 2026
- International Seminar on Automorphic Forms, November 2025
  video
- Number Theory Seminar, Tsinghua University, November 2025
  abstract
